3rd August 2010

Dear Christine & Dennis,

On behalf of everyone at CancerCare please accept our sincere congratulations and thanks for raising a fantastic **£3007.34** for the charity. We were hugely impressed with the textile challenge and exhibition, the standard of work on show was wonderful and the amount you raised just goes to speak for the whole success of the event. I hope you enjoyed the challenge and we're extremely grateful for the hard work you obviously put into your fundraising. Please pass on our genuine gratitude to all those who took part and supported your efforts, it was a fantastic result.

As you will know, we use all the money raised very carefully to help people with cancer, their families and their carers in the local area. Every donation represents a significant boost to our fundraising effort and will help us to provide the best services possible, free to those who need us.

Thank you again for your support and for being a part of CancerCare's fundraising efforts, we'll look forward to working with you again in the future.

Yours sincerely,

Rachael Law
